"What passion cannot Music raise and quell?"
—John Dryden

THEME

MUSIC—the one universal language, is practically unique in that it can be understood by all people. It says things to us in such a way that we do not need to worry about a difference in language.

There is a melody to fit every mood—no matter whether we feel serious, a little sad, or gay with happy thoughts.

We, the students of LaGrange High School, by discovering music and learning to appreciate its permanent beauty, can enjoy an experience which will contribute enormously to the enduring satisfactions of life.

"Without a Song the Day Would Never End"—and the melodies of these days at L. H. S. will remain with us forever.

It is hoped that the 1948 GRANGER will play on the strings of our hearts in such a way as to store within them a treasury of memories that will never end.

DEDICATION

With kindness, understanding, and above all, patience, he awakens hidden talent within us and transforms discordant notes into melody.

Therefore, with sincere appreciation for his making music an integral part of L. H. S., we dedicate this, the 1948 GRANGER

to

Mr. William J. Deal

L. H. S. of all the schools the best,
We love you, dear old L. H. S.
So fair and true in all that you do,
Under your colors, the old white and blue:
You're as true as the blue of the heavens,
You're as pure as the white of the pearl,
So glory, glory to old L. H. S.
You're the best school in the world.

FRIENDS

Mrs. Driver, Mrs. Crayton.

"A friend in need is a friend indeed." That's how we feel when we need teacher help and Mrs. Driver and Mrs. Crayton come to our rescue.

Kenneth Brumbeloe, Dr. R. S. O'Neal,
Mr. Pearce Cleaveland.

On the dedication day for our magnificent building, we realized anew what it means to have such friends as Dr. O'Neal, then the Mayor of our city, and Mr. Cleaveland, Chairman of the Board of Education, to manifest such interest in our well being.

Mrs. Stallings, Mrs. James

There could be no better friends than Mrs. James and Mrs. Stallings, who see that we are properly fed while at school.

Maybe these folks are full of smiles because they know all the secrets about such things as catalytic agents, centrifugal force, and all the other knowledge that goes with chemistry and physics. Without them, it would be hard for Mr. Keller to keep two la.ge laboratories in such perfect condition.

Here are five of the fair lassies o our staff in Mr. Cumbie's (our pho tographer's) new car on a picture making day.

Eunice Connally, Helen Huie, Elizabeth Price, Ann Herman, Leita Carlton.

The gentleman in the center is Mr. Josef Suchanek. That's right, he is the director of the Junior Red Cross of Czechoslovakia, and not long ago he favored L. H. S. with a visit. With him are Ma:y Evelyn Harris and Vauban Ashmore, President and Vice-president of our Junior Red Cross.

GENERAL SCIENCE CLUB

To know what makes things click—"That's my desire!" Well, the members of the General Science Club, under Miss Sherrill's able direction, are trying to find out just that. Meet the Tri-Hi-Y and Hi-Y, two of the most active and enjoyable clubs of L. H. S. Members of these organizations, while they "Follow the Gleam," serve the school, church, and community.

THE CHORUS

"Say It With Music"—that's what members of the Chorus say. This group, which is also directed by Mr. Deal, has attained a fame which is traveling far. This year the group was invited to give a Christmas program for the patients at the Warm Springs Foundation.

FOO

Coach Hunnicutt

LaGrange High's '47 football season's record of eight wins and two losses was the best in several years. The superb coaching of Hunnicutt and Mariotti, plus the determination and fine spirit of the boys, made the season a good one.

Sept. 19—The Grangers opened the season with a strong team from North Fulton. LaGrange took the lead in the first half, and Fulton's only score came on an intercepted pass. Score 21-6.

Sept. 26—LaGrange journeyed to Marietta to trounce the Blue Devils 32-6. LaGrange led all the way with Marietta's only score coming on a kickoff return of 80 yards.

Oct. 3—Carrollton's Hornets were severely outclassed and beaten as La-Grange chalked up her third straight win. Howard scored four touchdowns and the "B" string played during a quarter. Score 36-6.

Oct. 10—Avenging last year's defeat at the hands of West Fulton, the Grangers turned in an excellent performance by walloping Fulton 44-14. This was the most points scored on LaGrange in a single game.

Oct. 17—The Blue and White lost the first of the season in a heartbreaker to Griffin's Gold Wave. LaGrange, an underdog, led 7-6 up to the third quarter. A blocked punt by Akin (inside their 20-yard line) gave Griffin their golden opportunity. Score: Griffin 13; LaGrange 7.

BALL

Oct. 24—Returning home, the Grangers played Thomaston (the underdogs in this case) on a muddy field. Lancaster scored LaGrange's only touchdown on an end around, and after a big mental and physical let down because of losing to Griffin, the boys were glad to take this one 7-6.

Oct. 31—Hunnicutt's men pulled one out of the bag this time by smearing Cedartown 42-0. The line play of LaG:ange was excellent, the ball handling was good. Sharp kicked 6 out of 6 extra points.

Nov. 7—LaGrange played Spalding on a wet field and outclassed the Wolfpack easily. Score 32-0.

Nov. 14—Gainesville's Red Elephants gave the Grangers their second defeat of the season in another heartbreaker. LaGrange actually outclassed Gainesville as can be seen in Gainesville's one first down to LaGrange's 11. Gainesville's first play from scrimmage went all the way, 70 yards. The boys couldn't have taken this one any harder than the Griffin game, but it was hard to lose, since Gainesville beat LaGrange 13-12 last year.

Nov. 21—In the last game of the season LaGarnge played her old rival, Newnan, there. Newnan led 7-6 for a time, but LaGrange got hot and came back to win 33-7. The whole team turned in a good performance.

A natural

Sun-ripened fruits and berries, blended with crystal cane sugar—that's all you see in this service. To make these exquisite jams, jellies. preserves and marmalades, we have taken the secret of Grandma's unforgettable touch—cooking slowly in small batches—and brought it to highest artistry in our Sunshine Kitchens, carefully controlling every step to retain the natural color and exquisite flavor. A natural accompaniment to the most attractive service.

GOOD FOOD FOR PLEASED GUEST.
